

# CERTIFICATE

Certificate No: 2019-02-3D-18-0276-44

**AKG TERMOTEKNİK SİSTEMLER SAN. VE TİC.LTD.ŞTİ.**

Kemalpaşa O.S.B Mahallesi 40.Sokak No:6 Ulucak  
Kemalpaşa/İZMİR

*Has been audited according to*

**TS EN ISO 3834-2**

Quality Requirements For Fusion Welding  
of Metallic Materials - Part 2 : Comprehensive  
Quality Requirements

*And meets the requirements in the below scope*

|                            |                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>Production Scope</b>    | Manufacture, Assembly of Radiators, Coolers, Heat Exchangers for Motorized Vehicles and their related Sub Components and Accesories |
| <b>Material Group</b>      | 22.1,22.2,22.3,22.4,23.1                                                                                                            |
| <b>Welding Process</b>     | 141, 131                                                                                                                            |
| <b>Welding Coordinator</b> | Ulaş Emre AKYÜZLER                                                                                                                  |
